### The RANCH Restaurant and Saloon - Anaheim

Photo by Johannes Dewald

We awarded them with Best Steakhouse last year for good reason: The RANCH knows beef. They also know a thing or two about wine, seafood and ambiance. Despite an unorthodox location (plus being the only entry not offering lunch), the trio of Andrew Edwards, David Rossi and Michael Rossi exhibit what good ol' southern hospitality is all about. The top floor now has a special events facility, decked out for parties of all sizes. What they lack in neighborhood, they make up for in every other way. The main dining area buzzes with a view of the exhibition kitchen, so request a booth close to the private Carolina Room to discuss matters. Their gnocchi with rabbit or deviled eggs make for excellent starters.
